Assistant Commissioner for Patents
Washington, D. C. 20231

Sir:

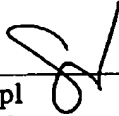

On January 13, 2004, Examiner Peter-Anthony Pappas and Applicants' representative, Wesley Ashton, Reg. No. 47,395 conducted a telephone interview. Dr. Ashton informed Examiner Pappas that the Office Action dated November 20, 2003 was received, but the Action was incomplete. Specifically, the November 20th Office Action did not include Prior art reference U ("Hierarchical octree approximations...", by Kela) and Prior art reference V ("Computer-Integrated Manufacturing...", by Yamaguchi) listed on the Examiner's Notice of References Cited. Dr. Ashton requested that a new and complete office action be issued to include a copy of all cited references. Examiner Pappas agreed upon request to mail a new and complete office action, including copies of all cited references thus resetting the period for response.

Questions are welcomed by the below-signed attorney for applicants.
